## **Discuss Disability Issues with Elected Officials From District 64 at The Arc Home Visit Oct. 25**

ST. PAUL – This year’s legislative session showed how easily funding for disability services can be put in jeopardy. The Arc Greater Twin Cities invites people with intellectual and developmental disabilities and their families to meet with elected officials from Senate District 64 at a home visit hosted by Allyson Perling on Tuesday, Oct. 25, from 6:30 – 8:00 p.m. at 526 Montrose Lane, St. Paul.

This home visit will give local residents an opportunity to share their story and discuss disability-related issues in an informal setting. Elected officials who have been invited to participate are Sen. Richard Cohen, Rep. Erin Murphy and Rep. Michael Paymar.

This event is free of charge, but participants are requested to RSVP by Oct. 24. To RSVP, e-mail [denafelper@arcgreatertwincities.org](mailto:denafelper@arcgreatertwincities.org) or call The Arc Greater Twin Cities at (952) 920-0855. Questions may be e-mailed to [genemartinez@arcgreatertwincities.org](mailto:genemartinez@arcgreatertwincities.org).

The Arc Greater Twin Cities fosters respect and access for individuals with intellectual and developmental disabilities and their families, giving them the power to achieve a full and satisfying life. The Arc was started 65 years ago by parents determined to ensure the most full and independent lives possible for their children. Today, The Arc continues to be a family-focused, grassroots organization helping individuals and families address issues such as early intervention, education, transition to adulthood, health care, housing, employment, guardianship and more.
