## **Discuss Disability Issues with Elected Officials** **At Arc Home Visit on January 20 in Andover**

ST. PAUL – If you or a family member use government services for people with intellectual and developmental disabilities, or if you're on a waiting list for services, Arc Greater Twin Cities invites you to meet with elected officials from Anoka County District 5/Legislative District 49 at the home of Scott and Laura Price. This Arc home visit will be on Thursday, Jan. 20, from 6:30 – 8:00 p.m. at 14275 Crane St. NW, Andover.

Disability service users have a lot at stake in 2011 as decision-makers seek ways to cut their budgets. At this Arc home visit, local residents can share their story and discuss disability-related issues in an informal setting. Elected officials who have been invited to participate are Anoka County Commissioner Carol LeDoux, Sen. Michelle Bensen and Rep. Peggy Scott.

This event is free of charge, but participants are requested to RSVP by January 17. To RSVP, call Arc at (952) 920-0855 or e-mail [denafelper@arcgreatertwincities.org](mailto:denafelper@arcgreatertwincities.org). Questions may be e-mailed to [genemartinez@arcgreatertwincities.org](mailto:genemartinez@arcgreatertwincities.org).

Arc Greater Twin Cities is a nonprofit agency serving the many needs of people with intellectual and developmental disabilities and their families. Established in 1946, Arc has been changing attitudes, changing policies and changing lives for more than 60 years. Arc helps individuals and families address issues that span the lifetime, including early intervention, education, transition to adulthood, health care, housing, employment, guardianship and more. For more information and volunteer opportunities, call Arc at (952) 920-0855 or visit [www.arcgreatertwincities.org](http://www.arcgreatertwincities.org).
